WESCO

**New from P&S –
Offering more for family safety and security**

Category 5 Intercom Kit – IC4KITW #78-5007-86113

- ◆ Trims with a standard decorator plate – keeps the outlet looks consistent
- ◆ LED lights show all room activity
- ◆ Kit does 3 rooms and main console station
- ◆ Expand with LCD Flat Panel Monitor and camera input

**“We’ve put a lot into our newest Decorator Outlets.
So little kids can’t.”**

**Introducing two unique tamper-resistant
“Child Safety” products from P&S
Because we know you want your child to be safe at home.**

Tamper Resistant Decorator Receptacle – Cat #885TR

- ◆ Replaces traditional outlet “caps” or “protection plates”
- ◆ Sleek decorator style available in 4 colors

Tamper Resistant Outlet / LED Hallway Light Combination – Cat #TM8HWLTR

- ◆ Provides safety LED illumination at night – light sensor controlled
- ◆ LED provides increased light output and 20 year life expectancy

885TRW
#78-5007-86098

TM8HWLTR
#78-5007-09237

Thomas & Betts

NEW
68P-DV-KIT-BRS Dual Voltage Kit
c/w Brass Cover.

- Used with 68P Non-metallic Floor Box
- Dual voltage divider has easy-cut score lines to accommodate concrete depths 3 to 6”.
- Faceplate has removable keystone data plate, 4 openings, and can accommodate GFCI or standard duplex receptacles.
- “MopTite” Snap-Lock cover exceeds scrub-water exclusion requirements for carpet, wood and tile floors.

#78-5991-03246

Hot Products by Cooper Lighting

Cooper Lighting is proud to introduce RSA Lighting.

RSA Lighting designs, manufactures and markets niche high-end lighting fixtures for commercial, residential, and is utilized extensively in retail applications. Our product lines include many styles of recessed and surface mounted, multi-lamp lighting systems. Our modified and custom fixtures are now the standard for today’s demanding specifiers.

Cooper introduces a new full colour comprehensive product catalogue.

Two essentials of effective lighting are maximization of efficiency and optimum light distribution, and both are achieved by every **Coralite** luminaire.

All of **Coralite’s** products are engineered to minimize ceiling prep and assembly time, and require less measuring and wiring.

Added flexibility. Labor-saving modularity. True affordability. It is linear lighting redefined, and it all begins with Indirect Architectural Solutions from **Coralite**.

COOPER Lighting

Global Plus Quick-Disconnect High Performance Connector Cables

Complete your sensor connections with Eaton's broad selection of cost-effective Single-Connector or Double-Connector cables, and Multi-Connector blocks.

EATON | Electrical

Eaton Cutler-Hammer Enhanced 50 Series Photoelectric Sensors

For use in areas subject to washdown, high shock and/or vibration. Choose from 3 output types, 4 time delay functions, 6 sensing modes and 4 connection styles.

WESCO – Your Source for World Class Eaton – Cutler Hammer Sensor Products

E57 Global Plus Prox Inductive Proximity Sensor

- ◆ Most cost-effective inductive proximity on the market
- ◆ AC or DC, 2-wire and 3-wire, NPN or PNP you're covered
- ◆ 8mm, 12mm, 18mm and 30mm diameters
- ◆ LED output indicator on all sensors
- ◆ Cable or connector versions

Metalux™
